BIOGRAPHY

With more than 23 years on the CP team, Chris has become an integral part of our grocery program. After graduating from Virginia Tech with a Bachelor of Architecture, Chris joined the firm and has worked on hundreds of mixed use, grocery and retail projects during his tenure.

His current role as a Program Director for our Publix team allows him to use the expertise he has gained to seamlessly coordinate the various disciplines needed to successfully execute projects for national program clients again and again.

KEY CLIENT RELATIONSHIPS

Publix Super Markets, Inc., Brixmor, Regency Centers, Sembler Company, St. Joe Commercial, Windcrest Development Group, Redstone Investments
