BIOGRAPHY

Tameka is strong leader, able to handle diverse clientele effectively with a clear understanding of the importance of relationships and customer services in the grocery industry. She is knowledgeable and experienced in all phases of architecture from schematic design through construction administration.

Originally from Jamaica, she understands the value of home and place. Tameka has worked for CP for more than 17 years and is considered an impeccably strong and valuable member of the Publix team.

With hundreds of projects under her belt, Tameka has a proven track record of successfully bringing projects from inception to completion.
